Providence Water
PUBLIC HEARING
December 17, 2008
2:00 PM

Providence Water Scituate Avenue Office
430 Scituate Avenue
Cranston, RI 02920

Providence Water will hold a public hearing for any interested customers concerning a draft environmental assessment prepared for a project that will be financed with State Revolving Loan Fund through the Clean Water Finance Agency (CWFA). The project consists of the installation of approximately 4000 feet of 16-inch within Scituate Avenue in the City of Cranston. A 1500-foot main extension will be required from 800 Pippin Orchard Road to 1555 Scituate Avenue and another 2500 feet from 1555 Scituate Avenue to Castleton Drive. The estimated cost for this project is \$1,000,000. The projected start date is expected to be completed within the 2009 construction season.

A copy of a draft environmental assessment study on the impacts of the proposed project is available for viewing at the Providence Water Scituate Avenue Office located at 430 Scituate Avenue Cranston, RI 02920. The public is invited to attend to provide comments or ask questions regarding the draft environmental assessment.

If you are in need of the services of an interpreter for the hearing impaired please call (401) 521-6300 ext. 7232 at least 72 hours in advance of the meeting.
